The Charge

The Task Force is charged with establishing a set of guidelines for UF faculty, instructors, staff, and administrators to help ensure fairness and equity in assessment in all contexts at the university. The guidelines must address fairness and equity in the entire assessment process, including development, opportunity to learn, administration, scoring, score interpretations, and the evaluation of the measurement properties of the assessment.

Groups

Guideline Development Group

Work with David Miller and Teresa Mutahi to develop the guidelines and review the recommendations from the model development group, and where mutually agreeable, implement the recommendations to modify the guidelines.

Model Development Group

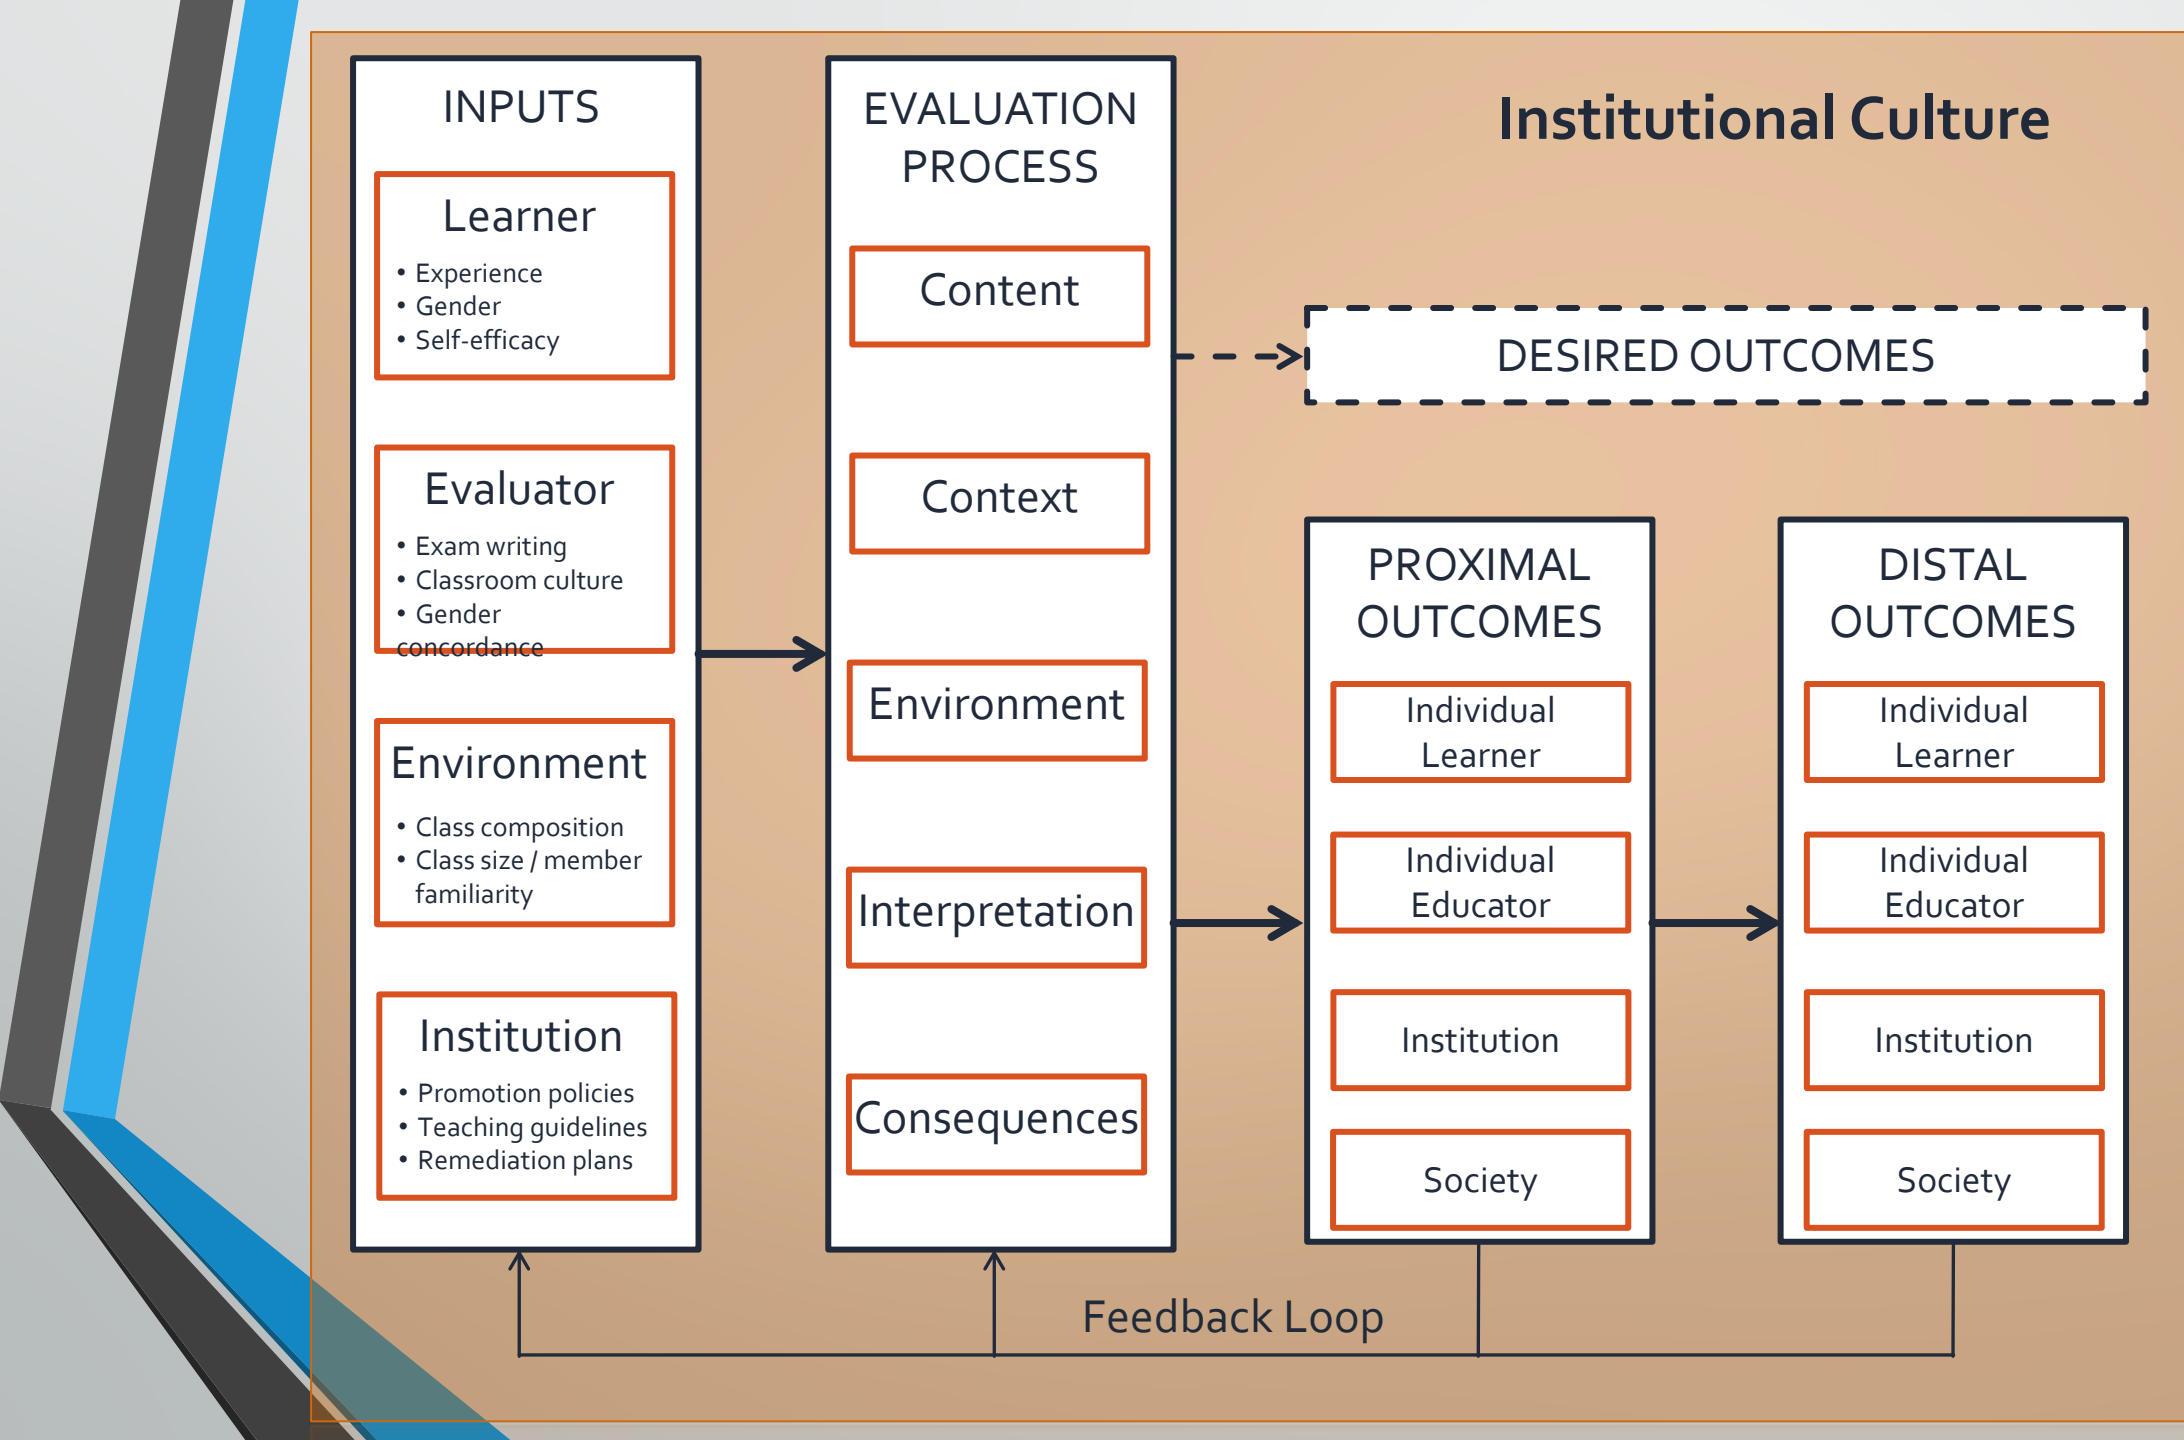

Work with Corinne Huggins-Manley to locate and develop models that operationalize the guidelines in various contexts; provide the guideline development group with modifications to increase their utility.
